

Attention

The 6-1 team has a tradition of having a drawing style giveaway on the last day of school. Teachers provide a few items, but the majority come from donations from parents.

Items can be new or used, and it is a great opportunity to do some spring cleaning!

Items for the giveaway could be anything, but here are a few ideas:

- Basketballs, footballs, tennis balls, anything sports related
- Minecraft or Lego themed materials
- Anything that has to do with Super Heroes
- Books
- Art supplies
- Inexpensive headphones or speakers
- Or anything that your child would like

If you are interested, you can send it in to Mr. Miller by June 5th , so we can get it ready for the giveaway. Make sure your child brings all their tickets on the last day of school!
